Loaves and Fishes Ministries Mission

Loaves & Fishes Ministries provides short-term emergency and long-term transitional housing, advocacy and support services for homeless adults and children in a caring Christian environment. Our purpose is to serve, not convert, respecting each person's spiritual path, different though that may be from ours. All are welcome who are in need, regardless of race, gender, age, sexual orientation, religion, ethnicity, country of origin. If Loaves and Fishes Ministries cannot meet some one's needs, our staff refers them to a medical or social service agency that can.

Brief History

In the late 1970's, a group of community volunteers came together to respond to the growing poverty and homelessness in the greater Lansing area. Five leaders emerged and decided to start a shelter.

They bought the house at 831 N. Sycamore with no financial backing – just their own determination and whatever personal savings they could pull together for the land contract down payment. They incorporated the property as a 501-C3 organization under the name Loaves and Fishes.

In February of 1981 after 181 days of meeting and negotiating with Lansing City Council, Lansing City Zoning Board, and neighbors in the 2 blocks around the house, the group was granted a Special Use Permit to open and maintain a temporary overnight shelter to single men and women. The doors were officially opened to guests in April of 1981.

In 1996 the L&F Core Community Board of Directors (CCBD) was granted Lansing City

Zoning Board permission to expand services to include long term (6 mos to 2 yrs) transitional housing for single women with 2-3 children. They bought the house next door at 835 N Sycamore which was seriously neglected and in a dire state of disrepair.

With a \$271,000 MISHDA grant – plus a very generous unsecured loan from Dart Bank in Mason, they renovated the house and built a large connecting wing complete with a commercial kitchen, large dining room, 2 handicapper accessible bathrooms and 2 staff offices. They called the addition The Gathering Place, and the new transitional housing program Zacchaeus House.

A few years later, a local realtor, relative of one of our volunteers, generously donated a house about 7 blocks away. The CCBD designated it as transitional living for single men and called it Luke's House. Because of these extended services being offered by L&F, the official name was changed to Loaves and Fishes Ministries.
